

This Old House

North Shore Farmhouse | House Requires Some Assembly

Original Air Date: May 12, 2016 | Season 35: Ep. 24 | 23:43

Synopsis

Erik takes delivery of the kitchen cabinets, and Kevin assists with installation. They head outside to start work on the driveway. In the backyard, landscape architect Kim Turner shows Roger how she's installing reclaimed granite as a rustic patio. The den gets some formal wainscoting. The homeowners meet with designer Kristina Crestin to select interior paint colors. Erik installs the factory-made staircase.
