New Delhi: Sanjyt Singh designs a Swiss-style chalet inside a farmhouse

Dark, magnetic tones, glistening finishes and an undeniable European design aesthetic rules the interiors of this weekend home

It might not be practical to fly to Europe at every drop of a hat but it's possible to experience the European life, right here in India. Inside their 2.5 acre farmhouse in New Delhi, with a 5000 square feet built up area, the clients wanted Sanjyt Singh of Sanjyt Singh Design Studio to convert their pre-built structure, with two bedrooms and living rooms, into an urban Swiss chalet.
