本案是位于波士顿久负盛名的后湾区高级住宅区的一座联排别墅。住宅因年久失修，现急需进行一次彻底翻修，其中包括额外增加一间浴室，同时对厨房、其他卫浴间、衣橱及其他内嵌式结构进行重新装饰。

业主希望对原有厨房进行重新布局，使之变成开放式结构，同时增建一个设置有洗衣机和烘干机的小浴室。由于业主已与设计师合作多年，因此他们按照设计需求将已有的家具、装饰材料带至波士顿。此外，他们还想将家族世代相传的地毯以及主卧的组合家具融入全新的设计改造中。对于设计师来说，将新旧元素结合在一起正是她的特长所在。根据客户需求，设计师通过大胆地运用各种颜色和图案，在陈

设、灯具以及装饰品的呈现上，创新性地将新旧元素完美地结合在一起，打造了一个色彩缤纷、充满活力而又清爽明亮的居住空间。

由于在波士顿，厨房改造必须严格遵循当地的历史和消防法规，因此整个改造过程中最大的挑战在于针对原来的老旧厨房进行的改造。而整个项目最大的亮点则在于以明亮、活泼的蓝绿色为主色调的客厅设计，其中的装饰元素包括家族世代相传的地毯、风格独特的艺术作品以及全新的家具和名贵古董的经典混搭。

This new townhouse is located in Boston's prestigious Back Bay neighborhood. The existing home needed a complete overhaul, including adding an additional bathroom and completely redoing the kitchen, bathrooms, closet and built-ins.

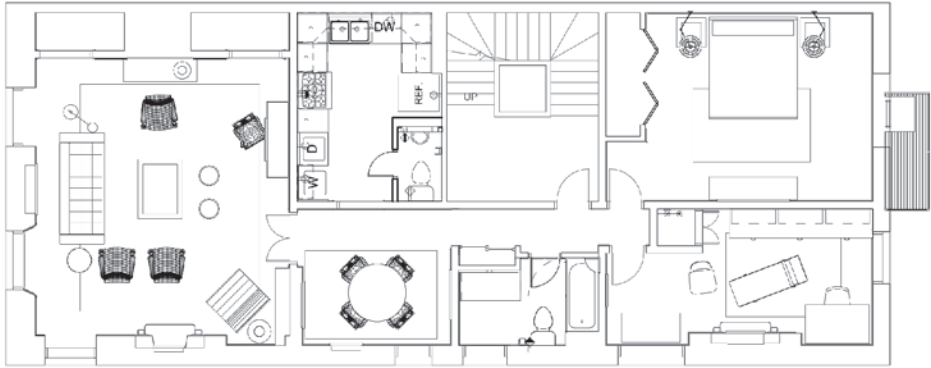

The client requested a reconfiguration of the existing kitchen to open it up, adding a small bathroom with a washer and dryer. Since they had worked with Kati Curtis Design for many years, they had existing furnishings they wanted to bring with them to Boston. They also wanted to incorporate family heirlooms like carpets and a master bedroom set into the new design. Kati Curtis was happy to oblige mixing the old with newly purchased pieces. According to the client's requirement, a colorful and lively design has been created, incorporating strong patterns, bold use of color, and a mix of old and new furnishings, lighting and accessories.

The biggest challenge in the whole renovation is the renovation of the old kitchen since there has strict historical and fire regulations within the city. The main highlights of the whole design space is a bright and colorful turquoise living room that features the clients' own heirloom rug, distinctive artwork, and an eclectic mix of new furniture and significant antiques. **M**
