

PARTIES & BENEFITS

Pink Aid

Mitchells of Westport and founding partner *Connecticut Cottages & Gardens* held the first annual Pink Chair Luncheon and Fashion Show at Mitchells to raise money for Pink Aid. Attendees enjoyed an Escada Fashion Show, luncheon catered by Marcia Selden Catering and a silent auction including fabulous trips from Valerie Wilson Travel and beautiful pink chairs donated by talented designers. Pink Aid raised more than \$300,000 to support breast cancer services for local women in need.

Designer Chair Program

Connecticut
COTTAGES & GARDENS

As a founding partner of PinkAid, Connecticut Cottages & Gardens developed the Designer Pink Chair Program. Talented designers created custom chairs—pink, of course!—to benefit Pink Aid. These donated chairs lined the Escada runway at Mitchells during the Pink Chair Fashion Show and Luncheon event and were auctioned off afterward, with all proceeds going to support women in their fight against breast cancer.

Connecticut
COTTAGES & GARDENS
