## Easygoing Elegance

Living beautifully at the  
intersection of comfort and chic

**ROOMS WITH A VIEW** + the leading annual design event of Fairfield County, was held at the Southport Congregational Church for the twenty-second year. A select group of interior designers relished the opportunity to step outside the box to create their dream-room vignettes in this showhouse-style setting, all of them built around the theme of “Comfort and Joy.”

(1) Scott Falciglia and Jhon Ortiz lounge in the room they created (2) Designer Michelle Morgan Harrison enjoys the coziness of her own holiday vignette (3) Tyler Constanda stands proudly in her space (4) *New England Home's* Roberta Mancuso with designer Stephanie Rapp and Andrea Williams (5) Alexa van Batenburg's space was a trove of mid-century finds (6) Sharon and Geoffrey Walsky (7) The spirit of event founder Albert Hadley presided over designer Jonathan Savage's room (8) Christina Roughan created a darkly sophisticated library (9) Designer Ken Gemes (10) *New England Home's* Stacy Kunstel, Christine Haney, and *New England Home's* Kyle Hoepner (11) Greenwich designer Douglas Graneto in his Italian-influenced space (12) Hannah Childs's vignette was a tribute to childhood
