"Spring brings out two of my favorite things: tulips in full bloom and the Saturday I look forward to every year, Nashville's Steeple-chase."

## Bedroom & Bath

Jonathan Savage grew up in Tennessee surrounded by design, as his family was prominent in real estate development. After studying business in college, Savage pursued his true passion for interior design and architecture at American University in London, England. Upon returning to the United States, he attended O'More College of Design in Franklin, Tennessee, where he received a Bachelor of Fine Arts in interior design. After a tremendous experience with David Kleinberg Design Associates, Savage chose to return to Nashville to continue his design career and opened SAVAGE Interior Design. He has been nominated for Fashion Group International's Rising Star Award in interior design. Although he is known to be one of the top designers in Nashville, he also has ongoing projects in California, New York, Washington, D.C., and Florida.
