

# TREND REPORT

A trio of designers pegged their favorite interiors trends — here's how to get the look in your own home

"Bold and vibrant, the colors this season are not only sophisticated but are paired with gorgeous textures. They should be used judiciously in a room to enhance the mood you are trying to create. Balance here is important — too much of a good thing could spoil the effect."

Cari Giannoulas

**1 Humboldt House:** Brazilian agate night lights, \$16 each, 1045 N. California; [HumboldtHouseco.com](http://HumboldtHouseco.com)
