

Martyn's fabric graces his windows and says they "add fresh modernity of the space which keeps the feeling young and exuberant."

"I adore the vibe of my Dining Room. It is cozy yet sophisticated. The red color used as a highlight in the carpet and ceiling stencil creates immediate warmth against the bold black furniture."

GET THE LOOK

MARTYN LAWRENCE-BULLARD is a celebrated interior designer whose eclectic work has landed him numerous magazine covers and celebrity clients. He's designed homes for Elton John, Cher, Tamara Mellon and Rebecca Romijn among others and is one of the stars of Bravo's latest series, *Million Dollar Decorators*. We recently asked Martyn which home in his room is his favorite and how we could achieve a similar look.
